# YWomen Start It Up!!!

**-Powered by NFTE**

Through the **YWomen Start it Up!** experience, students:

- Build and test their own business ideas to create a valid business opportunity.
- Learn to think creatively about how to leverage their skills and talents to create a new business or level up a side hustle.
- Learn the basics needed to build a business model for their idea, pitch it and launch it!
- Take control of their lives and pursue their dreams by learning to think and act entrepreneurially in business and in life.
